** Please note that **Block B peer tutors** are scheduled for Thursday February 16th. If your peer tutor comes to your class, please send them to the library so they do not miss the presentation.

Grade 12 students can pick up course information from Guidance. If they are considering coming back for a 5th year, they must choose courses before March 3rd. All Grade 12 students' course selections will be reviewed by administration and guidance to determine if a fifth year is the best option for them.
